

WHAT IS THE YOUTH LIVESTOCK AUCTION AND SCHOLARSHIP PROGRAM?

It's been said the goal of youth livestock shows is not to pick a champion animal, but to create champions out of our youth. Texas community leaders, local businesses and State Fair of Texas supporters must work together to support their future with donations to create invaluable possibilities and enable limitless growth and potential. Every contribution makes a difference for educational purposes and establishing a financially stable future for these kids. Helping Texas youth to further their education improves not only their world, but ours as well. The program is designed to provide financial assistance to top students from around the state and the Dallas area.
